IICChE (NRC) Golden Jubilee Scholarships (2025-26)

Dated: 01 September, 2025

ANNOUNCEMENT

Indian Institute of Chemical Engineers (Northern Regional Centre) has decided to award 15 scholarships for the year 2025-2026. Out of the 15 scholarships, 1 is preferably for differently abled student and 3 for girl students. Each scholarship of Rs. 30,000/- is open to undergraduate / dual degree (B.Tech./ B.E.) students of Chemical Engineering / Chemical Technology studying in Government College / Institute / University. The scholarship shall be awarded to 2nd / 3rd / 4th year students whose total annual family income does not exceed Rs. 6.0 lakh on the recommendation of Head of Department of Chemical Engineering of College / Institute / University. In addition to this, 2 scholarships of Rs. 20,000/- each would also be awarded on behalf of GJ Samaj Kalyan Nyas Scholarship. Out of these 2 scholarships, 1 would be awarded to girl student. Also, 2 scholarships of Rs. 30,000/- each would be awarded on behalf of Lovraj Kumar Memorial Trust. The eligibility and criteria of selection for all the scholarships would be same as for IICChE-NRC Golden Jubilee Scholarship Scheme.

For M.Tech. program, 5 additional scholarships of Rs. 30,000/- each are instituted for award to second year students of two-year M.Tech. program and final year of Dual degree program, based on their past performance and fulfilling the income criterion mentioned above. Out of these 5 scholarships, preference would be given to a differently abled student and to 1 girl student.

The applications for the scholarship are invited from students in the enclosed format so as to reach IICChE (NRC) by **01 October, 2025**.

A student who has received the scholarship earlier may apply again for consideration this year, subject to condition that he/she should not have received the scholarship for two consecutive years. Scholarships will be awarded on the recommendations of a committee of IICChE (NRC) duly appointed for the purpose.

For details the students may contact their Head of Department for eligibility criteria and the application form. The duly filled application form to be submitted to their Head of Department, which in turn would be forwarded to Indian Institute of Chemical Engineers (Northern Regional Centre) for further evaluation.

The announcement of Scholarship is also posted in our website (www.iichenrc.org). You may download the application form from the website and follow the rest of procedure as explained above.

Please also note that it is desirable that students applying for the Scholarship, may enroll for student membership of IICChE. The membership enrolment procedure can be seen in the IICChE website (www.iiche.org.in).

The successful applicants would be intimated about their selection by IICChE (NRC) through their Head of Department. It has been observed that successful candidates do not turn up in-person to receive the scholarship cheque and depriving the next candidates in the merit-cum-means list. The students are informed that in case the cheque is not claimed in person or otherwise within one month of date of intimation, shall be offered to next student in the merit cum means list.

(Dr. S. Nand)
Chairman, Scholarship & Award Committee,
IICChE (Northern Regional Centre)
