

**Indian Institute of Chemical Engineers**  
Northern Regional Centre  
C-27, Qutab Institutional Area, New Delhi - 110 016

Join us for the **Expert talks on**

**17 January, 2026**  
**11:00 hrs – 13:30 hrs**

**on**

**IChE-NRC Lectures on ‘Artificial Intelligence (AI) and its application in Chemical Process Technology’**

**Speakers:**

**Prof. Manojkumar C. Ramteke**

Professor, Department of Chemical Engineering, IIT Delhi

Topic: [Application of Modern Machine Learning Methods for Process Systems](#)

**Mr. Satvik Kalra**

Co-founder and COO, SarthhakAI

Topic: [AI for Chemical Process Technology: From Data to Decisions in R&D and Manufacturing](#)

**The programme will be followed by discussion with senior professionals over lunch**
