Indian Institute of Chemical Engineers (Northern Regional Centre) has decided to award 15 scholarships for the year 2024-2025. Out of the fifteen scholarships, one is preferably for differently abled student and three for girl students. Each scholarship of Rs.30,000/- is open to undergraduate / dual degree students of Chemical Engineering / Chemical Technology studying in Government College /Institute / University. The scholarship shall be awarded to 2nd / 3rd / 4th / 5th year B.Tech/ B.E. student whose total annual family income does not exceed Rs. 4.0 lacs on the recommendation of Head of Department of Chemical Engineering of College / Institute / University. In addition to this, 2 scholarships of Rs. 20,000/- each would also be awarded on behalf of GJ Samaj Kalyan Nyas Scholarship, the eligibility and criteria of selection would be same as for IChE-NRC Golden Jubilee Scholarship Scheme. Out of these two scholarships, one would be awarded to girl student.

The additional 5 scholarships of Rs. 30,000/- each are constituted for award to second year students of Two year M.Tech program, based on their first year performance and fulfilling the above income criterion mentioned above. Out of these five scholarships, preference would be given to a differently abled student and to one girl student.

Applications for the scholarship are invited from students in the enclosed format so as to reach IChE (NRC) by **30 September, 2024.**

A student who has received the scholarship earlier could apply again for consideration this year, subject to condition that he/she should not have received the scholarship for two consecutive years. Scholarships will be awarded on the recommendations of a committee of IChE (NRC) duly appointed for the purpose.

For details the students may contact their Head of Department for eligibility criteria and the application form. The duly filled application form to be submitted to their Head of Department, which in turn would be forwarded to Indian Institute of Chemical Engineers (Northern Regional Centre) for further evaluation.

The announcement of Scholarship is also posted in our website (www.iichenrc.org). You may download the application form from the website and follow the rest of procedure as explained above.

Please also note that it is desirable that students applying for the Scholarship, may enroll for student membership of IChE. The membership enrolment procedure can be seen in the IChE website (www.iiche.org.in).

The successful applicants would be intimated about their selection by IChE (NRC) through their Head of Department. It has been observed that successful candidates do not turn up in-person to receive the scholarship cheque and depriving the next candidates in the merit-cum-means list. The students are informed that in case the cheque is not claimed in person or otherwise within one month of date of intimation, shall be offered to next student in the merit cum means list.
