CIRCULAR

Subject: IChE (NRC) Award for best M.Tech. / M.E./ M.S. Thesis in Chemical Engineering and/or allied discipline from AICTE/UGC recognized institution/universities

Indian Institute of Chemical Engineers (Northern Regional Centre) has constituted one award of best M.Tech./ M.E./ M.S. Thesis for the year 2023-24. The objective of the award is to motivate students and faculty for doing exemplary research work in M.Tech./M.E./M.S. for betterment and advancement of society in general and Chemical Engineering in particular. The applications are invited every year from AICTE/UGC recognized institutes/colleges in the North Zone of IChE. The proposal would be evaluated by experts committee constituted for this purpose. Evaluation would have weightage of industry-based research projects. This would encourage the quality enhancement of students. At present, the award of Rs. 50,000/- would be given to one student from AICTE/UGC recognized institutes and colleges in North Zone of IChE. The details of award, eligibility, procedure and application form are attached.

It will be preferred that student as well as their supervisors/guides to be members of IChE, all other things remaining equal.

The attached application duly filled along with the copy of the Thesis submitted and may reach at the following address latest by **15 September, 2024**:

Director (Administration)
Indian Institute of Chemical Engineers
